Introduction

- ★ Begin with a brief discussion on decision-making. Ask students how they make decisions and if they ever face challenges in the process.
- ★ Introduce the responsible decision-making model with its five steps: Identify the problem, Analyze the situation, Brainstorm solutions and solve the problem, Consider ethical responsibility, and Evaluate and reflect.
- ★ After, ask students to reflect on their decision making pattern. Ask if they follow the 5-steps or if they use a different method.
